## Background

This information package, prepared by the School Curriculum and Standards Authority (the Authority), presents a summary of Year 12 student achievement data for schools that had Year 12 students in 2020.

### 2020 Context

The Western Australian Certificate of Education (WACE) recognises that:

- learning is a lifelong process and that schooling should ensure school-leavers are better equipped to pursue further education, training or enter the workforce
- after thirteen years of schooling, students should demonstrate a minimum level of literacy and numeracy
- students should engage with courses that are personally challenging, enhance their development and maximise their future study and career options.

The WACE is the certificate that students in Western Australia receive on successful completion of their senior secondary education. It is recognised nationally in the Australian Qualifications Framework (AQF), and by universities and other tertiary institutions, industry and training providers.

While students typically complete a WACE in their final two years of senior secondary school, there is no specified time limit for completion. Study towards achievement of the WACE can be undertaken over a lifetime.

### WACE achievement

Achievement of a WACE signifies that a student has successfully met the breadth and depth requirement, the achievement standard and the literacy and numeracy standard in their senior secondary schooling.

For 2020, these requirements were:

#### Breadth and depth

- Completion of a minimum of 20 units, which may include unit equivalents attained through vocational education and training (VET) and/or endorsed programs. This requirement must include at least:
  - a minimum of ten Year 12 units, or the equivalent
  - four units from an English learning area course, post-Year 10, including at least one pair of Year 12 units from an English course
  - one pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology).

#### Achievement standard

- Achievement of at least 14 C grades or higher (or the equivalent) in Year 11 and 12 units, including at least six C grades (or equivalents) in Year 12 units.
- Completion of at least four Year 12 ATAR courses or a Certificate II (or higher) VET qualification.

#### Literacy and numeracy standard

- Demonstration of the minimum standard of literacy and numeracy.

## Courses and programs

In encouraging students to select courses that are personally challenging and reward student achievement, the Authority offers the following courses and programs:

### ATAR courses

These courses have external examinations in Year 12 set by the Authority. ATAR courses are designed for students who are aiming to go to university.

### General courses

These courses are not externally examined but have school-based tests/examinations. General courses are designed for students who are typically aiming to enter further vocationally based training or the workforce.

### Foundation courses

These courses provide a focus on functional literacy and numeracy skills, practical work-related experience and the opportunity for students to build personal skills that are important for life and work.

### VET industry specific courses

These courses include a full AQF qualification, mandatory workplace learning and contribute to the Certificate II requirement for a WACE. VET industry specific courses are for students aiming to enter further vocationally based training or the workforce.

### Preliminary courses

Preliminary courses are designed for students who have been identified as having a learning difficulty and/or an intellectual disability.

### VET qualifications

VET qualifications are designed for students wishing to participate in nationally recognised training programs.

Note: VET qualifications, reported by schools, are not awarded by the School Curriculum and Standards Authority and need to be verified by sighting the relevant certificate.

### Endorsed programs

These programs provide students with access to areas of learning not covered by WACE courses or VET programs.

## The Tertiary Institutions Service Centre (TISC)

TISC has provided the median ATAR information for schools for inclusion in the Authority's *Year 12 Student Achievement Data 2020*. The Authority acknowledges TISC for permission to publish this information.

The ATAR is used to determine eligibility for university entrance. Students seeking to achieve an ATAR will need to complete a minimum of four Year 12 ATAR courses, excluding unacceptable combinations (see Undergraduate Admission Requirements for School Leavers on the TISC website

<https://www.tisc.edu.au/static/home.tisc>).

## Interpreting the data tables

The data tables in this document are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised.

- Many factors affect student achievement, some of which are outside the control of schools. These include differences in ability, cultural and language background, educational background of parents and economic differences.
- No single table or data source should prevail in drawing conclusions about the achievement of students at schools. A more realistic picture is gained from a composite view of all information available about schools.
- The statistics of a single year should not be considered in isolation, rather the trend or pattern over a number of years should be considered.
- Small numbers of candidates at a school can bias inferences, particularly with percentages.

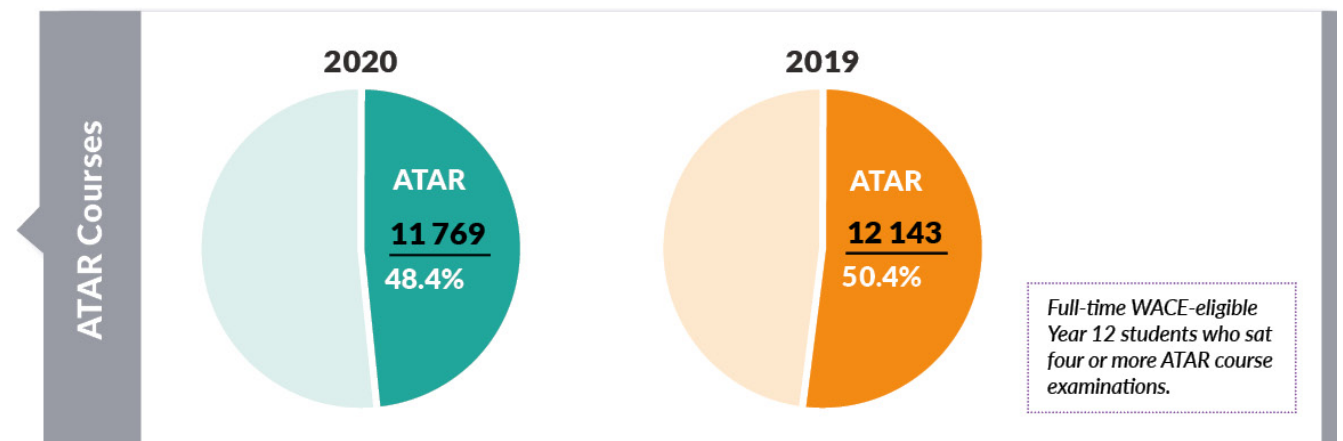

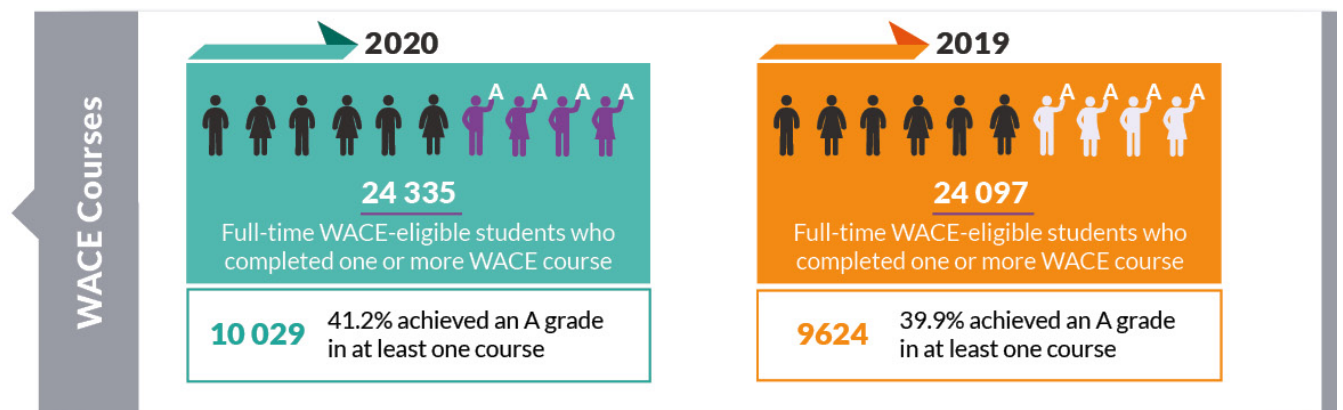

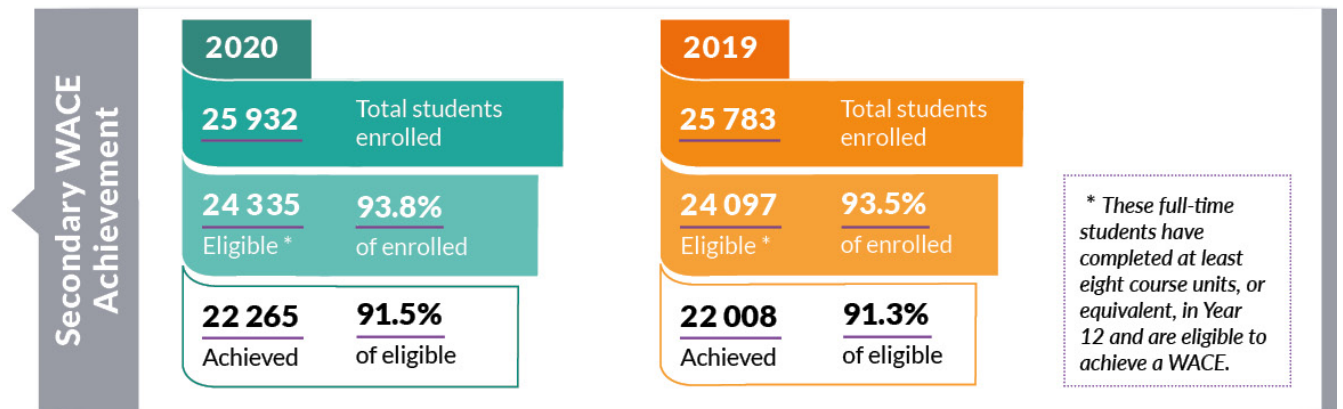

The following three sets of data are presented:

1. **Student achievement tables**, Part 1 identifies first 50 schools, in rank order of WACE achievement and median ATAR and high achievement in ATAR courses.
2. **Student achievement tables**, Part 2 lists all schools in alphabetical order for WACE achievement; numeracy, reading and writing achievement; completion of four or more ATAR courses or a Certificate II or higher; course and program completions; median ATAR and vocational education and training (VET) participation and achievement.
3. **Year 12 State Statistics for 2020.**

## School profiles

The following table shows the number of schools for each school system/sector and metropolitan and country region which had an enrolment of 20 or more full-time WACE-eligible Year 12 students.

### Schools that had fewer than 20 full-time WACE-eligible Year 12 students

Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included in the tables above.

## **Part 1: Achievement measures**

The following tables present a number of different ways to represent the relative achievements of students at different schools. These tables do not contain information about the 'value adding' of schools to each of their students over their years of senior secondary schooling. A school may appear in none of these tables but may have improved, significantly beyond expectation, the achievements of its students during these years.

Each way of presenting data has its limitations, and conclusions drawn from these tables must be made cautiously. Thus, failure to appear in these tables does not imply that students at this school have not performed well.

### **First 50 WACE Achievement**

This table displays schools with the highest proportion of students who have achieved the WACE.

### **First 50 Median ATAR**

This table displays schools with the highest median ATAR score (the middle ATAR score achieved by students in a school).

### **Schools with highest performing students in Year 12 ATAR courses**

This table provides, for each Year 12 ATAR course, an alphabetical list of schools with the highest performing students.

## First 50 WACE Achievement

To be included in the table a student must be a full-time Year 12 student who is eligible\* to achieve a WACE.

\*Note: a full-time Year 12 student who is eligible to achieve a WACE must have been:

- recorded as a Year 12 student
- enrolled in at least 20 course units or their equivalent, with at least ten Year 12 units or their equivalent
- enrolled in at least one pair of Year 12 course units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology)
- enrolled in two Year 11 units from an English learning area course and one pair of Year 12 units from an English course.

Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.

Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

Note: the data in these tables are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised.

- Many factors affect student achievement, some of which are outside the control of schools. These include differences in ability, cultural and language background, educational background of parents and economic differences.
- No single table or data source should prevail in drawing conclusions about the achievement of students at schools. A more realistic picture is gained from a composite view of all information available about schools.
- The statistics of a single year should not be considered in isolation, rather the trend or pattern over a number of years should be considered.
- Small numbers of candidates at a school can bias inferences, particularly with percentages.

## First 50 Median ATAR

Based on the median Australian Tertiary Admission Rank (ATAR), i.e. the middle ATAR score achieved by students in a school. Provided by the Tertiary Institutions Service Centre (TISC) and calculated from all Year 12 students in the school who enrolled in four or more ATAR courses and were eligible\* for an ATAR.

This table displays schools with the highest median Australian Tertiary Admission Rank (ATAR) score, i.e. the middle ATAR score achieved by students in a school.

To be included in the table, a student must be in Year 12 with at least one current year letter grade and be eligible\* for an ATAR.

Schools with fewer than 20 eligible Year 12 students are not included.

Mature age students and schools with a significant number of international students are not included.

Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

\*Note: see the TISC website for ATAR eligibility requirements.

Note: the data in these tables are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised.

This table lists alphabetically schools with the highest performing students for each Year 12 ATAR course.

The list is compiled from the percentage of students at each school who had Year 12 ATAR course combined scores in the top 15 per cent of all students in that course. Depending on the number of schools teaching each Year 12 ATAR course, up to the top 15\* schools with the highest percentage are listed.

\*Note: more than one school may be on the same percentage of students in the top 15 per cent, hence there may be more than 15 schools listed.

This list recognises the strength of achievement of schools in Year 12 ATAR courses but does not discriminate between schools with high or low enrolment in Year 12 ATAR courses.

To be included in this table, schools must have at least: 10 students with a Year 12 ATAR course combined score in the course, 10 per cent of the students with Year 12 ATAR course combined scores in the top 15 per cent of all students in that course.

Year 12 ATAR courses not listed have no eligible schools.

Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

Note: the data in these tables are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised.

- Many factors affect student achievement, some of which are outside the control of schools. These include differences in ability, cultural and language background, educational background of parents and economic differences.
- No single table or data source should prevail in drawing conclusions about the achievement of students at schools. A more realistic picture is gained from a composite view of all information available about schools.
- The statistics of a single year should not be considered in isolation, rather the trend or pattern over a number of years should be considered.
- Small numbers of candidates at a school can bias inferences, particularly with percentages.

## Part 2: Descriptive and achievement measures – all schools

### Achieving the WACE

Achievement of the WACE signifies that a student has successfully met the breadth and depth requirement, the achievement standard and the literacy and numeracy standard in their senior secondary schooling.

For 2020 these requirements are:

#### Breadth and depth

- Completion of a minimum of 20 units, which may include unit equivalents attained through vocational education and training (VET) and/or endorsed programs. This requirement must include at least:
  - a minimum of ten Year 12 units, or the equivalent
  - four units from an English course, post-Year 10, including at least one pair of Year 12 units from an English learning area course
  - one pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology).

#### Achievement standard

- Achievement of at least 14 C grades or higher (or the equivalent) in Year 11 and 12 units, including at least six C grades (or equivalents) in Year 12 units.
- Completion of at least four Year 12 ATAR courses or a Certificate II (or higher) VET qualification.

#### Literacy and numeracy standard

- Demonstration of the minimum standard of literacy and numeracy.

The following notes provide definitions and explanations of each of the data columns in Table 1: WACE achievement.

### School

This column lists schools alphabetically.

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### Number of full-time eligible Year 12 students

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

A 'full-time' student is in Year 12 and has results for at least eight School Curriculum and Standards Authority course units (or equivalent) in the current year and, in addition, is eligible to achieve a WACE. A 'result' in a course unit means the awarding of one of the grades A, B, C, D, or E.

### Achieved the WACE

#### Number

This column refers to the number of full-time WACE-eligible Year 12 students who achieved the WACE at the school.

#### Percentage

This column expresses the number of students who achieved the WACE as a percentage of all students eligible for a WACE at the school.

### All students

This row provides the totals and percentages for all eligible Year 12 students. It includes not only the students in the schools listed in this table but also from schools where the enrolment is fewer than 20.

\*Percentage of students who demonstrated the standard in the OLNA in Year 10, Year 11 or Year 12.

This table provides a breakdown of the improvement in numeracy, reading and writing achievement. The following notes provide definitions and explanations of each of the data columns in Table 2: 2020 numeracy, reading and writing improvement from Year 9 to Year 12.

### **School**

This column lists schools alphabetically.

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### **Number of full-time eligible Year 12 students**

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

### **Year 9 NAPLAN prequalified**

These columns provide the percentage of students who prequalified through the achievement of Band 8 or higher in numeracy, reading or writing in the Year 9 NAPLAN.

### **Increase**

These columns provide the percentage of students demonstrating the numeracy, reading or writing standard in the Online Literacy and Numeracy Assessment (OLNA) in Years 10, 11 and 12.

### **Year 12 demonstrated standard**

These columns provide the total percentage of students who either prequalified through the achievement of Band 8 or higher in numeracy, reading or writing in the Year 9 NAPLAN or demonstrated the numeracy, reading or writing standard in the OLNA.

### **All students**

This row provides the totals and percentages for all eligible Year 12 students. It includes not only the students in the schools listed in this table but also from schools where the enrolment is fewer than 20.

This table gives a breakdown of Year 12 student achievement in numeracy.

The following notes provide definitions and explanations of each of the data columns in Table 3: Numeracy achievement.

### **School**

This column lists schools alphabetically.

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### **Number full-time eligible Year 12 students**

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

### **Year 12 students prequalified in numeracy in the Year 9 NAPLAN**

These columns provide the number and percentage of students who prequalified through the achievement of Band 8 or higher in numeracy in the Year 9 NAPLAN.

### **Increase in students demonstrating the numeracy standard by the end of Year 12**

These columns provide the number and percentage of students demonstrating the numeracy standard in the Online Literacy and Numeracy Assessment (OLNA).

### **Total Year 12 students demonstrating the numeracy standard**

These columns provide the total number and percentage of students who either prequalified through the achievement of Band 8 or higher in numeracy in the Year 9 NAPLAN or demonstrated the numeracy standard in the OLNA.

### **All students**

This row provides the totals and percentages for all eligible Year 12 students. It includes not only the students in the schools listed in this table but also from schools where the enrolment is fewer than 20.

This table gives a breakdown of Year 12 student achievement in reading.

The following notes provide definitions and explanations of each of the data columns in Table 4: Reading achievement.

### **School**

This column lists schools alphabetically.

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### **Number of full-time eligible Year 12 students**

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

### **Year 12 students prequalified in reading in the Year 9 NAPLAN**

These columns provide the number and percentage of students who prequalified through the achievement of Band 8 or higher in reading in the Year 9 NAPLAN.

### **Increase in students demonstrating the reading standard by the end of Year 12**

These columns provide the number and percentage of students demonstrating the reading standard in the Online Literacy and Numeracy Assessment (OLNA).

### **Total Year 12 students demonstrating the reading standard**

These columns provide the total number and percentage of students who either prequalified through the achievement of Band 8 or higher in reading in the Year 9 NAPLAN or demonstrated the reading standard in the OLNA.

### **All students**

This row provides the totals and percentages for all eligible Year 12 students. It includes not only the students in the schools listed in this table but also from schools where the enrolment is fewer than 20.

This table gives a breakdown of Year 12 student achievement in writing.

The following notes provide definitions and explanations of each of the data columns in Table 5: Writing achievement.

### **School**

This column lists schools alphabetically.

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### **Number full-time eligible Year 12 students**

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

### **Year 12 students prequalified in writing in the Year 9 NAPLAN**

These columns provide the number and percentage of students who prequalified through the achievement of Band 8 or higher in writing in the Year 9 NAPLAN.

### **Increase in students demonstrating the writing standard by the end of Year 12**

These columns provide the number and percentage of students demonstrating the writing standard in the Online Literacy and Numeracy Assessment (OLNA).

### **Total Year 12 students demonstrating the writing standard**

These columns provide the total number and percentage of students who either prequalified through the achievement of Band 8 or higher in writing in the Year 9 NAPLAN or demonstrated the writing standard in the OLNA.

### **All students**

This row provides the totals and percentages for all eligible Year 12 students. It includes not only the students in the schools listed in this table but also from schools where the enrolment is fewer than 20.

\*VET qualifications, reported by schools, are not awarded by the School Curriculum and Standards Authority and need to be verified by sighting the relevant certificate.

Note: differences in percentage values may occur due to the effect of rounding.

The following notes provide definitions and explanations of each of the data columns in Table 6: Completed four or more ATAR courses or a Certificate II or higher.

### **School**

This column lists schools alphabetically.

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### **Number of full-time eligible Year 12 students**

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

### **Completed four or more Year 12 ATAR courses**

#### **Number**

This column refers to the number of full-time WACE-eligible Year 12 students who completed four or more Year 12 ATAR courses.

#### **Percentage**

This column expresses the number of students who completed four or more Year 12 ATAR courses as a percentage of all students eligible for a WACE.

### **Completed a Certificate II or higher but less than four Year 12 ATAR courses**

#### **Number**

This column refers to the number of full-time WACE-eligible Year 12 students who completed a Certificate II or higher but less than four Year 12 ATAR courses.

#### **Percentage**

This column expresses the number of students who completed a Certificate II or higher but less than four Year 12 ATAR courses as a percentage of all students eligible for a WACE.

### **Completed four or more Year 12 ATAR courses or a Certificate II or higher**

#### **Number**

\*VET qualifications, reported by schools, are not awarded by the School Curriculum and Standards Authority and need to be verified by sighting the relevant certificate.

Note: differences in percentage values may occur due to the effect of rounding.

The following notes provide definitions and explanations of each of the data columns in Table 7: Overall course and program completions.

### **School**

This column lists schools alphabetically.

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### **Number full-time eligible Year 12 students**

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

### **Total number of units completed**

This column provides the total number of units or unit equivalents that have been completed by Year 12 students at the school.

### **Units Completed**

#### **Number**

These columns refer to the number of Preliminary, Foundation, General and ATAR course units or VET, VET industry specific or endorsed program unit equivalents that have been completed by Year 12 students at the school.

#### **Percentage**

These columns express the number of Preliminary, Foundation, General and ATAR course units or VET, VET industry specific or endorsed program unit equivalents that have been completed by Year 12 students at the school as a percentage of the total number of units completed.

#### **General points**

- Schools with fewer than 20 full-time eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.
- 'All students' totals and percentages refer to totals and percentages for all eligible Year 12 students.

### **All students**

This row provides the totals and percentages for all eligible Year 12 students. It includes not only the students in the schools listed in this table but also from schools where the enrolment is fewer than 20.

The following notes provide definitions and explanations of each of the data columns in Table 8: Median ATAR.

### **School**

Schools are listed alphabetically.

### **Number eligible Year 12 students**

To be included in the table a student must be in Year 12 with at least one current year letter grade and be eligible for an Australian Tertiary Admission Rank (ATAR)\*.

\*Note: see the Tertiary Institutions Service Centre (TISC) website for ATAR eligibility requirements.

### **Students with an ATAR**

Number and percentage of students with an ATAR.

### **Median ATAR**

This column provides the middle ATAR score achieved by students in a school.

#### **General Points**

- Schools with fewer than 20 eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.
- Mature age students and schools with a significant number of international students are not included.

The following notes provide definitions and explanations of each of the data columns in Table 9: Vocational Education and Training – participation and achievement. The table gives a breakdown of student achievement in VET programs during Years 10 to 12. VET in schools offers students practical learning, introduces them to the world of work and provides employability skills.

An Australian Qualifications Framework (AQF) VET qualification is a nationally recognised training qualification which comprises groups of units of competency developed by industry. The achievement of an AQF VET qualification refers to completion of the required number of units of competency for the particular qualification.

Some students may have completed more than one qualification.

### **School**

This column lists schools alphabetically.

However:

- Schools with fewer than 20 full-time WACE-eligible Year 12 students are not included.
- Cyril Jackson Senior Campus, North Lake Senior Campus, international schools, School of Isolated and Distance Education and primary schools are not included.

### **Number of full-time eligible Year 12 students**

This column provides the number of full-time WACE-eligible Year 12 students registered at the school.

### **Completed Certificate I in Year 10 to Year 12**

#### **Number**

This column refers to the number of AQF VET Certificate I completed by eligible students over Year 10 to Year 12.

#### **Percentage**

This column refers to the percentage of AQF VET Certificate I compared to the total number of certificates completed by eligible students over Year 10 to Year 12.

### **Completed Certificate II in Year 10 to Year 12**

#### **Number**

This column refers to the number of AQF VET Certificate II completed by eligible students over Year 10 to Year 12

#### **Percentage**

This column refers to the percentage of AQF VET Certificate II compared to the total number of certificates completed by eligible students over Year 10 to Year 12.

### **Completed Certificate III or higher in Year 10 to Year 12**

#### **Number**

This column refers to the number of AQF VET Certificate III or higher completed by eligible students over Years 10 to 12.

#### **Percentage**

This column refers to the percentage of AQF VET Certificate III or higher compared to the total number of certificates completed by eligible students over Year 10 to Year 12.

**All students**

This row provides the totals and percentages for all eligible Year 12 students. It includes not only the students in the schools listed in this table but also from schools where the enrolment is fewer than 20.

## Part 3: Explanatory notes for Year 12 statistical report STS009

### Section 1: Summary statistics

#### 1a Student population

Section 1a provides the number of Year 12 students who completed at least one course or course unit, VET unit of competency, or endorsed program or equivalent in the year in which their results were awarded or equivalent and the number of repeating, re-entering, overseas and mature-age students.

##### Note:

- 'Completing' a course or a course unit is defined as obtaining either a grade A, B, C, D, or E in the course or course unit.
- 'Repeating' are Year 12 students who complete at least one course or course unit or equivalent in the year following first enrolment in Year 12.
- 'Re-entering' are Year 12 students who complete at least one course or course unit or equivalent more than one year after first enrolment in Year 12.
- 'Mature-age' students were aged 19 or more on 1 March of the year in which their results were awarded.

#### 1b Western Australian Certificate of Education (WACE)

Section 1b provides the number of full-time students who are eligible to achieve the WACE, demonstrated both the literacy and numeracy standard and who achieved the WACE.

The WACE is awarded to students who have successfully met the requirements for breadth and depth, the achievement standard and the literacy and numeracy standard in their senior secondary schooling.

For 2020, these requirements were:

##### Breadth and depth

- Students must complete a minimum of 20 units (or the equivalent) of which at least 10 Year 12 units (or the equivalent) must be included. The 20 units (or the equivalent) must include at least:
  - a minimum of ten Year 12 units, or the equivalent
  - four units from an English course, post-Year 10, including at least one pair of Year 12 units from an English learning area course
  - one pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology).

Of the 20 units required for the WACE, up to a maximum of four Year 11 units and four Year 12 units may be substituted by VET qualifications and/or endorsed programs. A student may choose to study VET qualifications and/or endorsed programs and is able to substitute using only VET qualifications (up to a total of eight units) **or** using endorsed programs (up to a total of four units) **or** using a combination of VET and endorsed programs (up to a total of eight units but with a maximum of four units with endorsed programs – two in Year 11 and two in Year 12).

### Achievement standard

- Students must achieve at least 14 C grades or higher (or the equivalent) in Year 11 and 12 units, including a minimum of six C grades (or the equivalent) in Year 12 units.
- Both VET qualifications and endorsed programs can contribute to the WACE standard requirement of a C grade in at least 14 units. A C grade in a maximum of eight units (four in Year 11 and four in Year 12) can be replaced by unit equivalents from VET qualifications and/or endorsed programs. Of these eight unit equivalents, a maximum of four can be from endorsed programs (two in Year 11 and two in Year 12).
- Students are required to complete at least four Year 12 ATAR courses or a Certificate II (or higher) VET qualification.

### Literacy and numeracy standard

- Students must demonstrate the minimum standard of literacy and numeracy.
- The minimum standard is indicative of Level 3 of the *Australian Core Skills Framework*. Students who have achieved Band 8 or higher in the corresponding Year 9 NAPLAN component (Reading, Writing and Numeracy) have met the standard required for that component. Students who had not prequalified in reading, writing or numeracy were required to achieve a Category 3 result in the corresponding component/s of the Online Literacy and Numeracy Assessment (OLNA).
- The detailed requirements for achievement of the WACE are provided in the information paper *The WACE 2020 – Your Guide to the Western Australian Statement of Student Achievement (WASSA), Western Australian Certificate of Education (WACE) and ATAR Course Report* which is available on the Authority website at <https://senior-secondary.scsa.wa.edu.au/certification/wace>.
- It has been agreed, in consultation with stakeholders, that the percentage of students achieving the WACE is calculated from a base population consisting only of those full-time Year 12 students who could have achieved the WACE (if they had achieved at a suitable standard).
- The population of full-time students eligible to achieve the WACE is also used as a base when calculating the numbers of ATAR examination students, course unit students, VET students and endorsed program students.

### 1c WACE course units

Section 1c provides the number of full-time students who are eligible to achieve the WACE, and who attained a grade of A, B, C, D or E in at least one pair of course units in either ATAR, General, Foundation or VET industry specific courses. Also included is the number of these students who attained a grade of A in at least one pair of course units.

Generally, students taking fewer than four Year 12 ATAR courses in Year 12 are not able to obtain an ATAR, so they may be regarded as not pursuing direct entry into university in the following year.

### 1d ATAR examination students

Section 1d provides the number of students eligible to achieve the WACE who attained four or more ATAR combined scores. Usually, students aspiring to enter university need at least four scaled scores to obtain an ATAR.

## 1e VET

Section 1e provides the number of full-time students eligible to achieve the WACE who completed at least one qualification at Certificate II or higher in Year 10, Year 11 or Year 12.

Students in this category may also be included in category 1c or category 1d.

Note: VET qualifications, reported by schools, are not awarded by the School Curriculum and Standards Authority and need to be verified by sighting the relevant certificate.

## 1f Endorsed programs

Section 1f provides the number of full-time students eligible to achieve a WACE, and who were enrolled in at least one endorsed program.

Also reported is the number of these students who achieved a result in at least one endorsed program.

Students in this category may also be included in category 1c or category 1d.

## Section 2: WACE courses

Section 2 shows the distribution of full-time students eligible to achieve the WACE, by the number of Year 12 course unit pairs completed by each student.

## Section 3: ATAR course examinations

Section 3 shows the distribution of full-time students eligible to achieve the WACE, by the number of ATAR course examinations sat by each student. Subtotals show the number of students who sat the ATAR course examination in enough courses to obtain an ATAR (at least four) and the number who sat the ATAR course examination in fewer than four courses. The number of ATAR course examinations sat by a student is defined as the number of course combined scores obtained.

## Section 4: VET studies

VET qualifications count towards achievement of the WACE. However, unit equivalence is not awarded for partially completed Certificate I and II qualifications.

Section 4 shows the distribution of VET qualifications completed among full-time students eligible to achieve the WACE. Students who have completed more than one VET qualification will be counted as many times as they have achieved qualifications.

Note: VET qualifications, reported by schools, are not awarded by the School Curriculum and Standards Authority and need to be verified by sighting the relevant certificate.

## Section 5: Endorsed programs

Endorsed programs count towards the achievement of the WACE.

Section 5 shows the distribution of unit equivalents achieved for endorsed programs amongst full-time students eligible to achieve the WACE. A unit equivalent of an endorsed program is equivalent to one course unit.

## Section 6a: Summary of students' results by grade for courses

Section 6a shows the number and percentage of Year 12 students awarded each of the grades (A, B, C, D and E) for each WACE course by gender.

In addition, a statistical test has been carried out to compare the performance of males against females.

Under the heading **better performing group** the following entries may be found:

Entry	Meaning
Males	For this course, males had higher grades than females.
Females	For this course, females had higher grades than males.
NS	The statistical test showed no significant difference between groups.
-	No test was carried out because there were not enough candidates.

## Section 6b: Summary of students' completions for Preliminary course units

Section 6b provides the number of Year 12 students who completed Preliminary course units by gender.
